Target Selection

You might happen to be in a place terrorists target. Avoid possible target areas.

Victim by Location

Victim by Association

Terrorists that target Americans look for the obvious American tourists. In other countries, be aware of your surroundings and try to blend with the local population.

Terrorists look for random, easy targets. Be alert and don't be an easy target.

Victim by Opportunity

Target Identification

Groups of Americans at bus stops, at night clubs, in hotels, and in apartment buildings are attractive targets.

Large, Vulnerable Groups

Name on quarters, office, discarded mail, contents of wallet, unit roster all indicate specific personnel.

Name

VIP treatment, official cars, salutes, passports, reserved parking, titles and rank, cell phones and pagers all indicate importance.

Appearance of Importance

DOD Terrorism Threat Levels

Increasing
Threat

Consider a terrorist group's

- Operational capability
- Activities
- Intentions

And the operating environment

Force Protection Conditions

Sample protective measures

- Gate guards
- Barriers
- ID checks
- Vehicle inspections
- Patrols
- Plan rehearsals

Increasing
Protection

FPCON Normal

- When there is a general global threat of possible terrorist activity, but it warrants only a ***routine security posture***
 - A terrorist attack is always possible
 - Best information available offers no indication of probable attack

Expect to see a routine security posture

FPCON Alpha

- When there is a general threat of ***possible terrorist activity***, the nature and extent of which are ***unpredictable***, against personnel and facilities

- General conditions suggest possible violence
- Nothing indicates that this installation is

targeted Antiterrorism Level I Awareness Training

Must be capable of

Expect random vehicle checks and increased crime prevention efforts

FPCON Bravo

- When an increased and more ***predictable terrorist threat activity*** exists

- Specific information suggests probable violence
- Nothing indicates that this installation is targeted
- Extra precaution is appropriate to deter terrorist planning
- Must be capable of being maintained for

Expect to see closer inspection of vehicles and deliveries, ID checks, and a greater presence of guards on your installation

FPCON Charlie

- When an incident occurs or when intelligence indicates that some form of ***terrorist targeting against personnel and facilities is imminent***
 - Evidence of terrorist attack planning, such as terrorist surveillance or reports from local sources
 - Strong protective measures are required, but the unit must continue its regular mission activities
 - Implemented for only a short period of time

Expect rigorous efforts to inspect vehicles and facilities, and you may be required to participate in special guard duties

FPCON Delta

- When a terrorist attack has occurred or when intelligence indicates imminent ***terrorist action against a specific location***
 - Normally, Force Protection Condition Delta is declared as a localized warning
 - The installation moves to a high state of alert, and commander implements mandatory security measures
 - Commanders encouraged to supplement mandatory security measures

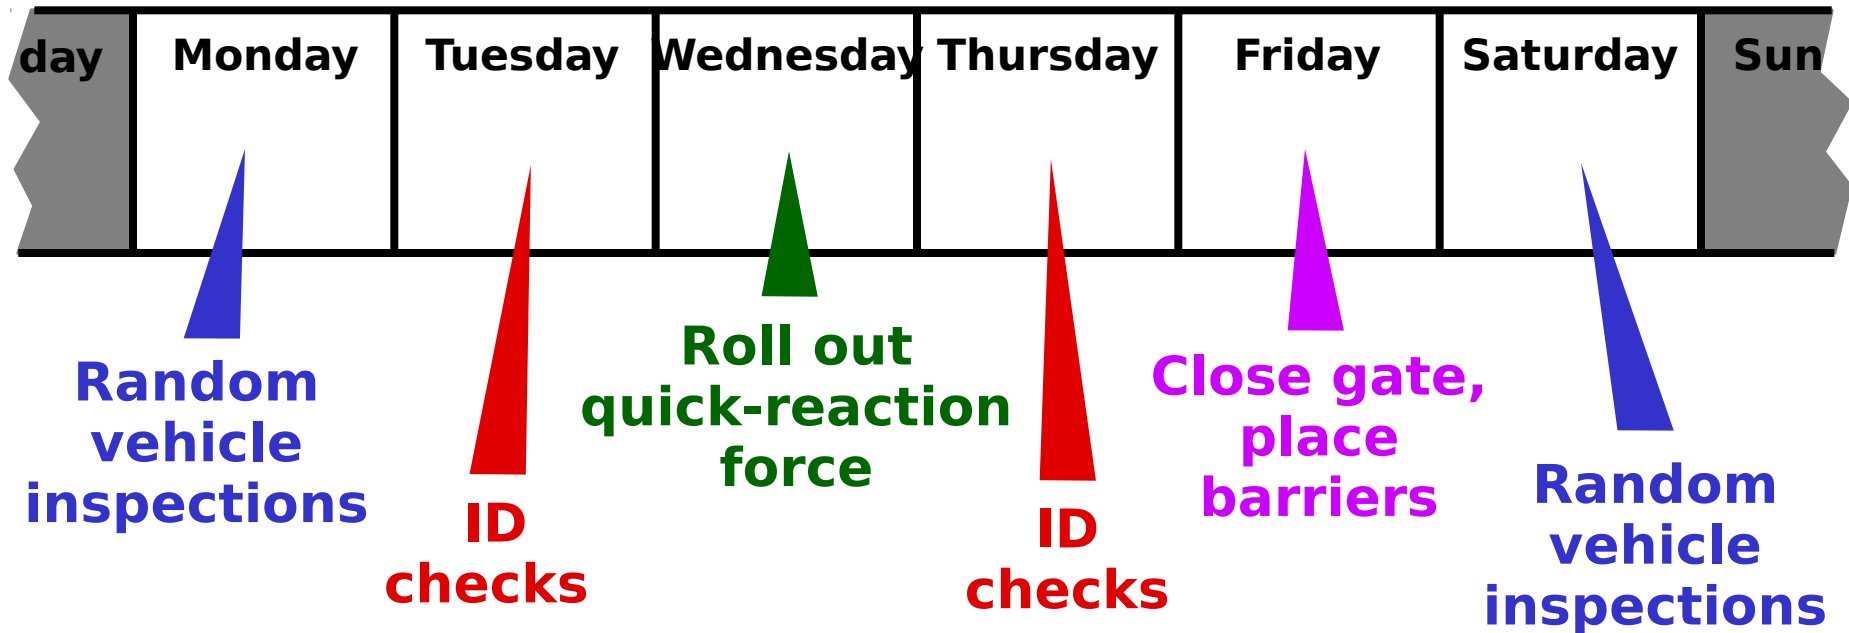

Additional security measures delay and interrupt normal routines

Random Antiterrorism Measures

Force Protection Condition Normal
***plus* random antiterrorism measures**

What should you do?

- 1) Phone ahead to headquarters in Riyadh to let them know when you will be arriving
- 2) Go straight to the gate where your transfer plane will be leaving and stay at the gate
- 3) Find a remote area of the airport terminal with few people to avoid areas that would likely be targeted

Airplane Hijacking

The plane has been skyjacked

Ideas for immediate response

- Be alert, remain calm
- Hide your military ID
- Encourage others to remain calm
- Try to understand the developing situation

Airplane Hijackings

Things to Consider

Is a Federal Air Marshall on the aircraft?

How heavily armed are the hijackers?

Do hijackers closely monitor activities of passengers?

Are pilots left in control of the plane?

What is the hijackers' destination?

Do hijackers demand ID from passengers?

Is someone in a position to resist the hijackers?

Are passengers able to place calls to people on the ground?

Are passengers singled out based on nationality or affiliation?

**Remain Calm,
Comply with
Demands**

**Continuously
Evaluate the
Situation**

Interacting With Local Authorities

The skyjacking situation has been resolved - you are being debriefed

What should you do?
